Fast, easy, & Portable

AES Raptor Stinger™
Mobile Fall Protection Unit

The Stinger Mobile Fall anchor is a compact and transportable unit that lends itself to the struggles a worker faces on today’s jobsites. The Stinger can easily be loaded into the back of a pickup, and will fit into elevators and through doorways. With its unique design the weights can be removed easily reducing the overall weight of the main unit, allowing workers to take the Stinger up stairs and through penthouses.
